**Visa, MasterCard and Discover:** Also known as the Cardholder Verification Value, these three numbers help ensure that the physical card is in the cardholder's possession while shopping online or by phone or mail, helping to prevent unauthorized or fraudulent use. **The number can be found as the last three digits of the number under the signature line on the back of the card.**

**American Express:** Look for the 4-digit code printed on the front of your card just above and to the right of your main credit card number.
